

LIBRARY AWARENESS COMMITTEE  
Report to the Board  
Louisville, Kentucky  
June 5, 2012

I have passed on information from the ALA Advocacy Office to the KLA List Serve.

I promoted ALA Legislative Day by sending out information and reminders on the KLA list serve for members to contact their representatives.

I attended the ALA Library Legislative Days April 23 & 24 in Washington D.C as part of the Kentucky delegation. I wrote an article about the visit for In-Focus and for the KDLA Newsletter.

I have requested a proclamation from the Governor's Office to designate the week of the annual KLA meeting, September 16- September 22, as Kentucky Library Week.

I am preparing the information to mail to members and include in INFOCUS about the annual KLA awards.

Respectfully submitted,

Debbe Oberhausen  
Chair
